

Walk or Bike Ride: West Pennard & West Bradley

3.5 miles / flat, except for one hill / road and public footpath / barn, church and orchards

At the end of the driveway turn right. Then take the first right. At the T junction there is a public footpath straight ahead. Go through here and head to the left following the footpath through a cottage garden to the road. If you are cycling just stay on the road.

Turn right and there is West Pennard Court Barn, on your right which is worth having a look at. Then follow the road until you can take your first right. Follow this road until you reach a T junction. Turn right after Knapp House. Then follow the road until you get back to the T Junction with the public footpath. Turn left and then left again and you'll be back at Tall Trees Glamping!
